Subject: Need a few bullets COB Monday on potential impacts of EtO cancer assessment
Date: 11/23/2011 05:08 PM

Henry and Jennifer,

I need a few bullets COB Monday on potential impacts of EtO cancer assessment that I can give Becki.

Here are some words I jotted down based on what I heard from OPP.

Can you use these as a starting point, and revise or improve as needed?

NOTE: The risk estimates are rough from memory, please check those !

Thanks

David
